SAN MATEO COUNTY ALTERNATIVE ROUTE PLAN
Traffic Management Coordination Workshop
Managing diverted traffic during freeway incidents

**Thursday, October 4, 2007
10:00 AM to 1:00 PM**

1250 San Carlos Ave.
4th Floor "Dining Room"
San Carlos, CA
(Lunch provided—RSVP requested)

1:00 to 2:00pm - Traffic Incident Management Committee (IMC) Meeting to follow

Workshop Objective:

To develop and reach consensus on a step-by-step strategy for managing diverted traffic on local streets during freeway incidents using the Alternative Route Plan. The strategy will involve interagency coordination among the agencies responsible for managing traffic in San Mateo County:

- Local public safety agencies
- Local public works agencies
- California Highway Patrol
- Caltrans
- County Office of Emergency Services (OES)

Various freeway incident scenarios will be presented and operational actions by each agency will be discussed. Responses provided by participants will be incorporated into the Final Alternative Route Plan and to the development of the Table Top Training Workshops.

Who should attend:

Decision-makers and operational staff responsible for traffic management and incident management on freeways and local streets in San Mateo County

Please RSVP by September 27, 2007
